

**IN THE DRAWINGS:**

Please replace drawing sheets 1/4 to 4/4 as originally filed, with the Replacement Sheets 1/4 to 4/4 submitted herewith.

## **REMARKS**

### **Amendment to Claim 4**

The Examiner's Amendment mailed 26 January 2010, has been received and its contents carefully noted. Unfortunately, the Examiner's Amendment did not address an antecedent basis issue and a typographical error in claim 4. Therefore, Applicants submit this 312 Amendment which amends claim 4 to place it in proper condition for allowance. Support may be found in the specification and the claims as originally filed. No statutory new matter has been added. Therefore, entry of the amendment to claim 4 is respectfully requested.

### **Amendment to the Drawings**

In the Notice to File Corrected Application Papers, the Notice indicated that Drawing Sheets 1/1, 1/2 and 1/3 contain a foreign language and therefore required Replacement Drawings.

Applicants respectfully submit that Replacement Sheets 1/4 to 4/4 obviate the objection to the drawings. Specifically, the foreign language has been translated into English. A statement verifying the accuracy of the English translation is submitted herewith. Thus, no statutory new matter has been added by the Replacement Sheets. Therefore, entry of the Replacement Sheets and withdrawal of the objection to the Drawings are respectfully requested.

### CONCLUSION

All of the stated grounds of objection and rejection have been properly traversed, accommodated, or rendered moot. Therefore, it is respectfully requested that the Examiner reconsider all presently outstanding objections and rejections and that they be withdrawn. It is believed that a full and complete response has been made to the outstanding Official action and, as such, the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

It is not believed that extensions of time are required, beyond those that may otherwise be provided for in accompanying documents. However, in the event that additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. 1.136(a), and any fees required therefor are hereby authorized to be charged to **Deposit Account No. 024300**, Attorney Docket No. **033792.003**.
